Differentiated Activity (Example)

Activity Number: V.031 **Grade Level:** K 1 2 3 4 5

Activity Title: What-A-Word (Words in Context)

"Big 5" Reading Component: Vocabulary

Below Grade Level Instructions:

Students will work to complete only the first paragraph of the text. A variation to help lower level students would be to provide another teacher-made text that's shorter and on the students' instructional level.

On Grade Level Instructions:

Students will complete the activity as written.

Above Grade Level Instructions:

Students will complete the activity as written. They will then work together to write a new paragraph to continue the story. Students will choose three words to leave out and add to the word bank. Another option would be for students to write a paragraph using the words in the word bank.
